Re: QAPP for OU2 Supplemental Remedial Investigation
In the Matter of CERCLA Docket No. 02-2010-2017
Shieldalloy Metallurgical Corporation Superfund Site - Newfield, NJ

Dear Ms. Henry:

TRC has prepared the OU2 Quality Assurance Project Plan (QAPP) for OU2 Supplemental Remedial Investigation, per SOW Section III Task 1.F of Administrative Order on Consent dated April 28, 2010 (AOC). The QAPP was revised to address the comments provided by EPA on August 16, 2011.

On September 9, 2011, TRC offered an addendum, including revised figures and a detailed response to the EPA comments.

Please contact me should you have any concerns or wish to discuss the project.

Regards,

TRC

Patrick J. Hansen, PE
Project Coordinator
